

The Norval McConnell MultiSport Camp

Community Leadership Bursary

Named after our camp's founder. Norval has and continues to work tirelessly with Youth and community organizations in Greater Moncton. His time as a coach, teacher, principal, and mentor have helped to shape the lives of countless young individuals. Many of which now do their part to give back in their own ways. In the 31 years that Norval ran Multi-Sport Camp 1000's of youth attended as campers, many returned as assistants, and now are with us as full time coaches.

This \$500 Bursary will go to a deserving high school graduate who like the awards namesake has taken part at Multisport and more importantly made a difference in their community.

Bursary applicants should submit a resume and updated cover letter outlining their time at camp along with their school and community contributions to multisportmoncton@gmail.com
