

A Heart for Seniors Bursary
From Grass Home Ltd.

Community connections are very important to us here at Grass Home. We have had many students who have made a difference to our residents and staff. We have students who work here part-time, some who have come with their class to volunteer, some who have come independently to share their time, and some who have chosen to do a co-op term with us.

The time students share with us means a lot and we would like to do something in return. If you have given your time to Grass Home in any way, are graduating from high school, and plan to further your education in the fall, please consider applying for this award. Our bursary, in the amount of \$1000.00, will be awarded to one graduating student who has made a difference in our home.

To apply, please answer the questions on the following page, and submit it by April 28, 2023, along with a copy of your acceptance into a post-secondary program, either by email at grasshomeactivities@gmail.com, or by mail to the address below, attention to Stephanie Thomson.

We would like to wish everyone who applies good luck in your future endeavors!

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Thomson".
