

THE FUTURE HEALTH RESEARCH & INNOVATION SCHOLARSHIP

OVERVIEW

The Future Health Research and Innovation Scholarship was created in 2015 for the purpose of fostering awareness in health research and/or innovation at the IWK and to recognize outstanding Grade 12 students in the Maritimes who have demonstrated an early interest in health related research and/or innovation.

ELIGIBILITY

To be considered for one of three Future Health Research and Innovation Scholarships, you must be a Grade 12 student in the Maritimes with a minimum average of 75% and must intend on continuing your education at a Maritime post-secondary institution (college or university) in a field that will enhance research and/or innovation in health care.

APPLICATION FORM 2024

Application Form: Fill out page 2 of this PDF. (*fill in your responses, save file and be sure to add your name to the file name*)

Cover Letter: Tell us about yourself! Why are you interested in a particular area of health research and/or innovation? Be specific and tell us how your post-secondary education will help you pursue a research goal. (*1-page max; double spaced; 12pt font*)

Essay: This is where you tell us about your research passion! (*3-page max; double spaced, 12pt font*)

Using scientific evidence tell us about:

- (1.) the specific area of health research and/or innovation you would like to pursue, and
- (2.) how your research and/or innovation could potentially contribute to the health and well-being of children, women and families in the Maritimes.

References: This is where other people can tell us a bit about you! Please provide one Academic Reference (e.g. a teacher who can speak to your marks and school performance) and one Character Reference (e.g. a coach or boss who can speak to sportsmanship or work ethic). (*1-page max; double-spaced; 12pt font*)

Transcripts: Finally, please provide one copy each of your Grade 11 transcript and your Grade 12 transcript (in progress).

\$2500 AWARD
