CFUW MONCTON EDUCATION AWARDS 2024

Dear Counsellors,

Since 1933, CFUW Moncton has been working to empower women. We have been supporting young women in Greater Moncton with post-secondary education since 1944.

Our Awards Committee would like to hand over the administration of our high school Education Awards to the schools. We are confident that you are in the best position to choose the appropriate candidates to receive our awards based on academic record, financial considerations, and life situation.

We are offering each high school in Greater Moncton:

1. one \$1,500 award for a woman enrolling in a university, and
2. one \$800 award for a woman enrolling in a college

Your task would be to:

1. advertise the awards to your female students
2. choose which woman would receive each award, based on the application
3. provide us with the names of winners well before the graduation ceremony.

CFUW-Moncton will:

1. when recipients' names are sent to us, provide each award recipient a Congratulations Letter with our CFUW Moncton contact information requesting confirmation of registration at their chosen university or college in the upcoming fall, as well as a recent photo
2. send the award cheque directly to each recipient

Our 2024 application form is attached. If you need further information or wish to discuss this plan, please contact me at the coordinates listed below. We are looking forward to a wonderful relationship with each high school to further the educational aspirations of students.

Sincerely,

Awards Co-Chairs

CFUW Moncton is one of about 100 CFUW clubs across Canada. We take an interest in social issues, particularly education, human rights, public affairs and the environment. Our softcover Book Sale, each May, helps to support our annual education awards. Presently, we give up to \$18,000.00 each year in the tri-community area.
