

The Roger Miller Foundation Scholarship 2024

This foundation, in memory of Roger Miller, will provide an annual scholarship for a male and female volleyball player in New Brunswick who demonstrates high academic achievement, leadership on and off the court along with an elite skill set, in addition to volunteering in their community. Prior to his sudden passing in 2011, Roger was extremely passionate about the New Brunswick volleyball community and made giving back to his community of Oromocto, New Brunswick, a top priority. Throughout his daughter's volleyball experience in New Brunswick, Roger influenced young athletes to be fierce leaders not only on the court, but also in the classroom. We hope to continue Roger's legacy through providing a scholarship to young athletes who carry the qualities Roger cared about most; leadership, hard work, and treating others the way we want to be treated.

These scholarships, valued at \$500.00 each, are funded by annual volleyball tournaments, donations from the community, and additional fundraisers. The scholarship will be open for applicants in March 2024 and a winner will be selected by June 2024 by the Selection Board. This board encompasses individuals who have various affiliations within the New Brunswick volleyball community.

Eligible applicants for this scholarship are Grade 12 athletes who play either on a high school, club, provincial indoor or beach volleyball team in New Brunswick. In addition, applicants must have volunteer experience within their community and high academic achievement (minimum of 80% average). Preference will be given to applicants who are pursuing post-secondary education. Applicants must submit high school transcripts showing Grade 11 and the first semester of Grade 12 marks, in addition to reference letters from the organization(s) they volunteer with and the coach(es) they have played for in the past year. The applicant must email their completed form to rogermillerfoundation@gmail.com and reference letters must be emailed directly from the reference to this email address.
