

Robert J Walker Bursary

The Fundy Guild Inc. (aka Friends of Fundy) created this bursary to honour the legacy of Robert J Walker and his dedication to community, sustainability and conservation.

The Friends of Fundy / Fundy Guild Inc. is a non-profit charitable organization that exists to enhance public awareness and appreciation of the cultural and natural heritage of Fundy National Park and increase engagement in the surrounding rural upper Bay of Fundy Region - from the Fundy Coast to the Fundy Foothills.

The Friends of Fundy works closely with our partners on a variety of initiatives that support residents, businesses, and visitors to engage with the amazing natural, cultural, and historic attributes of the area.

Our Values:

- *Community Engagement and Collaboration*
- *Stewardship and Environmental Responsibility*
- *Cultural Appreciation and Storytelling*
- *Innovation and Adaptability*

As the official 'Friends' of Fundy National Park, we operate three gift shop locations: Two in Fundy National Park and one in the nearby village of Alma.

All profits from gift shop sales are reinvested back into community stewardship and conservation projects.

The Robert J Walker Bursary is presented to a student who holds these values and demonstrates their commitment and passion for the environment and the natural world.
